

2009 NWISA Singlehanded Championships (Cressy Cup Qualifier)

CGRA - Cascade Locks, OR Sept. 5-6, 2009

Day One - Saturday

Racing got underway at 11am in a light westerly. Off and on showers greeted sailors completed 5 races in a building breeze before taking a lunch break shortly after 1pm. Racing resumed at 2:30 as the breeze quickly ramped up to 15+ knots. 5 more races were completed under clearing skies before calling it for the day. Dinner was a Cascade Locks classic, Johnny's bugers and curly fries!

Day Two - Sunday

Sunday morning started with a light easterly that died as it battled with the filling west wind. Racing was postponed until 11:30 and quickly got underway as the westerly filled. Shifty conditions and frequent rain squalls mixed with breezes ranging from 5-15 knots in a single race made for very challenging races. 4 races were completed before 1pm when a massive rain squall sent everyone to the beach for the end of the day.

Congratulations to Paul Foley and Teddy Weaver who will go on to sail at the Cressy Cup in Corpus Christi Texas!

Results:

Full Rig Fleet

1. Paul Foley - 23
